Notes

* Each pound of Lean roast will yield ~3/4# EP roast beef

Roast beef slowly to internal temperature of 160 degrees F. Cool product quickly (within 4 hours) to below 41 degrees F. (unless roasted and used same day).

Next day, slice cold into 3 oz portions and arrange overlapping in counter pans 25 servings/pan. Pour 1 cup water in each counter pan of beef. Drizzle 4 cups BBQ Sauce over each counter pan of 25 servings of beef. Cover counter pans with foil and bake at 350 degrees F for 45 minutes to 1 hour or until internal temperature of 165 degrees F and tender.

Serve 1 3 oz portion and 1-2 T BBQ Sauce = 1 3oz EP meat.
